

ENGLISH AS A SECOND LANGUAGE

The Institute's major goal in the creation of its ESL program is to provide students an opportunity to gain the language skills necessary to become successful members of the global workforce. To be an active member of the global workforce, students should learn how to communicate successfully through the acquisition of strong speaking and listening abilities and the ability to read and write.

Standard Occupational Classification (SOC) 43-9199, 43-5058, 51-2090, 41-9099, 53-3041
