

# DIGITAL GRAPHICS & WEB DESIGN

This program will prepare a student for employment as an entry level Graphic and Web Designer. Throughout the program, the student will gain skills in industry-standard software such as Photoshop, Illustrator, InDesign and Dreamweaver. The student will develop skills in single and multi-page layout, image editing and alteration, computer illustration and basic web design. The student will also develop an understanding of aesthetics, color theory, typography, branding and identity.
